

GEORGIA DEPARTMENT OF REVENUE
PROCESSING CENTER

TIM SHIELDS

BIO

Mr. Shields is the Director of the Tradeport office that houses the Processing Center and Motor Vehicle Divisions for the Georgia Department of Revenue. In this dual role, he has responsibility for leading a team of over 500 in focusing on processing all taxpayer payments and returns, commercial vehicle permits and license plates, and certificates of title, in an expeditious manner.

In April 2009, Mr. Shields was given the additional responsibility of providing oversight for the Motor Vehicle Division. In December 2005, he was made the Director of the Processing Center. Previously, he served as the Manager of the Unclaimed Property Program, was a member of the Program Management Unit and also a project manager for the Information Technology Division. He has been with the Department since 2000.

Previously, Mr. Shields served in various project management capacities for consulting companies focused strategically on implementing technology to improve business practices. Additional management roles were held with several technology companies and with a Fortune 500 company in accounting and operations.

Mr. Shields is a graduate of the University of Maryland.
